

“I’m hungry...”

While most of us in Malaysia are having too much to eat, millions of children around the world are literally starving to death.

You and your organisation can do something about this.

Join World Vision’s Skip-A-Meal campaign and donate what you would usually spend for a meal towards feeding a hungry child.

“Every little bit helps.”

It may not seem like much, but it could mean a hungry child’s next meal.

Rally your colleagues or friends to participate in this meaningful exercise!
